Fenstermacher & Company, P.C.
and the Peer Review Committee of
Pennsylvania Institute of Certified Public Accountants

We have reviewed selected accounting engagements of Fenstermacher & Company, P.C. (the firm) issued with periods ending during the year ended May 31, 2023. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in an Engagement Review as described in the Standards may be found at www.aicpa.org/prsummary.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to evaluate whether the engagements submitted for review were performed and reported on in conformity with applicable professional standards in all material respects.

An Engagement Review does not include reviewing the firm's system of quality control and compliance therewith and, accordingly, we express no opinion or any form of assurance on that system.
